OVERVIEW

INTRODUCTION

100% black-women-owned-and managed, that is a level One (1) B-BBEE rated with an approved Wholesale New License in terms of the Petroleum Products Act, 1977 (Act No.120 of 1977) – License No. W/2017/0240.

Kgomatswe Investments (Pty) Ltd was started in 2015 by young and dynamic entrepreneurs with a shared vision that is focused on contributing fully in assisting a sustained economic growth for South Africa. The company is 100% black-women-owned-and managed, that is a level One (1) B-BBEE rated with an approved Wholesale New License in terms of the Petroleum Products Act, 1977 (Act No.120 of 1977) – License No. W/2017/0240. Kgomatswe Investments (Pty) Ltd was established to be South Africa's leading product reseller and distributor in the Aviation, Mining, Construction and ICT industries. As the founders of the company,

we believe that effective leadership is an action and not a position; hence we are constantly hands-on to exceed client expectations and build solid relationships. We strive to put a personal touch to our projects in order to ensure that the project stays within budget, on time and with the highest quality.

Our strong relationships with Original Equipment Manufacturers (OEMs) both locally and internationally give us a competitive edge, that enables us to deliver on our promises of quality, affordability and safe-to-use products. Our experienced sales teams allow us to fulfil our slogan of 'Empowered by World Class Products'

VISION

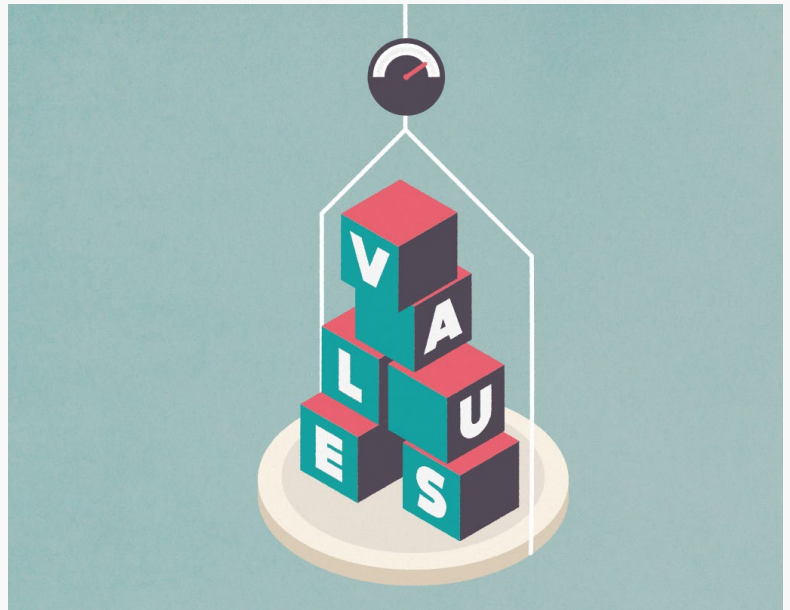

Our vision is to become a leading 100% black-women-owned-and managed reseller and distributor in the Aviation, Mining, Construction & ICT industries, that is qualified and certified.

MISSION

To consistently provide quality, affordable and safe-to-use products that meet and exceed clients' requirements and expectations.

VALUES

- Quality service and products
- Honesty and Integrity
- Transparency
- Maintaining Healthy Client & Supplier relationships
- Professionalism
- safety

OUR SERVICES

AVIATION

Kgomatswe Investments (Pty) Ltd is a South African based aviation supplier of aircraft components and materials to the aviation industry. Aircraft component supply for the aviation industry covers a wide range of airline jets, business jets and general aviation aircrafts spares.

Our experienced sales team work closely with customers to understand their individual requirements and implement tailor-made cost-effective support solutions to meet their specific procurement needs.

Kgomatswe provides a highly regarded 24/7 AOG support service. When an aircraft is grounded, every second counts and communication is key throughout the whole process. Right from the quoting, through to order processing and organising the logistics, our dedicated AOG team are on hand to professionally manage the successful resolution of your AOG requirements.

The support is further enhanced by our own dedicated and established network of reliable suppliers, logistic agents who can handle your global shipping and delivery requirements should you so require.

At Kgomatswe Investments our team of professionals are able to source and supply a variety of the following in aviation with our local and international partners.

- AVIONICS SPARE PARTS
